**Notes:**

- The Diploma in Business Administration consists of 60 credits. In addition to the 36 credits of required courses, students must take 12 credits of specific option electives and 12 credits of business or non-business electives. Options are available in Accounting, Financial Services, Hospitality and Tourism Management, Human Resources Management, Management, Marketing and General Studies.
- Business electives include all BUAD courses except BUAD 100 and BUAD 107.
- Non-business electives must be courses which are part of a diploma or degree program. Students admitted to or contemplating entering the BBA program should take STAT 124 in the Second Year.
- CMNS 122 is strongly recommended as 1<sup>st</sup> year elective.
- When BUAD 293 is selected as a required course it cannot also be used as a specific option elective.**
- STAT 121 is an approved substituted for STAT 124.
- Students admitted to or contemplating entering the BBA program should take ECON 115 and ECON 125 as substitutes for BUAD 113 and one 3 credit elective.
- To determine which courses are offered by term and by campus or by distance education please go to [www.okanagan.bc.ca](http://www.okanagan.bc.ca) and select ClassFinder from the quick links list.
