

15th Annual ACIC Links to Learning Golf Tournament

Friday, June 17, 2011 @ Salmon Arm Golf Course
1:30 shot-gun start

Dear Supporter,

Registration is now open for ACIC Links to Learning – one of the premiere golf tournaments of the season, and a major fundraiser in support of post-secondary education here in the Southern Interior.

Participants in last year's tournament helped us raise more than \$11,000! Together with other funds generated by the Okanagan College Foundation, a total of \$69,400 was awarded to 55 deserving students at Okanagan College's Salmon Arm Campus.

Okanagan College is a leading post-secondary institution in this region, with campuses in a number of communities. It provides local residents with an opportunity to advance their education and careers without leaving home, and helps fill the skill requirements that drive the regional economy.

Now in its 15th year, ACIC Links to Learning combines a spectacular golfing experience with an exciting event program and plenty of opportunity for fantastic prizes. This year, we've added a reverse draw where you'll have a chance to win a houseboat vacation, a golfing trip in Mexico and many other exciting prizes you won't get anywhere else. And for the really avid golfers, we've added the opportunity to win \$150,000 in shoot-out money.

A registration form is attached, which we urge you to return without delay. The number of golfers will be strictly capped at 100. The entry fee is \$175 and this includes your green fee, cart, access to the driving range, dinner, one reverse draw entry, and a gift to take home. Besides having a great day on the course, you'll also be helping students achieve their academic dreams.

The lead sponsor of the event again this year is Salmon Arm-based All Canadian Investment Corporation (ACIC). \$1,000 Hole Sponsorship Packages are also available, and includes two golfer registration, providing tremendous value for companies looking to achieve local exposure and give back to the community.

We look forward to seeing you at the Salmon Arm Golf Course on Friday, June 17, and to another successful fundraiser that will help local students move ahead with their post-secondary studies.

Yours truly,

Don Bergman
