

Creating a Turnitin assignment in Blackboard CE 8

Turnitin produces an originality report for each student submission using a text comparison database.

In the build tab, pull down Add Content Link to Turnitin Assignment and click Create Turnitin Assignment.

Give the link a title and click Create Turnitin Assignment. (again)

Create Turnitin Assignment

* Title:

* Required field

Select Paper Assignment and click Next.

Select your assignment type

- Paper Assignment

Paper Assignment

Paper Assignment -The paper assignment type is the base assignment for all other assignments types (PeerMark, Revision, and Reflection).

When creating a paper assignment there are three dates that instructors will need to set: the start date, the due date, and the post date.
- PeerMark Assignment NEW
- Revision Assignment

Enter your assignment title (again) and the point value. Set the start date and due date.

Open at the bottom of this screen to customize the turnitin settings.

You can choose to exclude bibliographic and quoted content, and decide whether students can see the originality report.

At the bottom of the page click and an assignment icon will appear on your course home page.

Students click on the assignment icon and submit their paper.

NOTE: In Vista/CE6, the post date relates to the availability of GradeMark papers only and has no bearing on when grades are posted to the Vista/CE6 Gradebook.

Reviewing a turnitin assignment.

In the teach tab click the Turnitin assignment you created.

(*Turnitin assignments are not available through the Assignment Dropbox).

You will see your turnitin assignment inbox with papers that have been submitted.

The screenshot shows the Turnitin assignment inbox interface. At the top is the Turnitin logo. Below it are navigation tabs: "assignment inbox" (selected), "edit assignment", "libraries", "class stats", and "preferences". A section titled "About this page" explains that this is the assignment inbox and provides instructions on how to view papers and reports. Below this is a section for "term paper" with a dropdown menu set to "INBOX | NOW VIEWING: NEW PAPERS". There are buttons for "Submit Paper" and "Export", and links for "GradeMark Report", "Roster Sync", and "Edit assignment settings". A table lists submitted papers with columns for selection, author, title, report, grademark, file, paper ID, and date.

<input type="checkbox"/>	AUTHOR	TITLE	REPORT	GRADEMARK	FILE	PAPER ID	DATE
<input type="checkbox"/>	Abelard, Peter	nonspeech.doc	5% 	0 --		160236659	11-22-10

If your students do not appear then click Roster Sync .

Click the report bar graph to see the detailed originality report.

Click Grademark to read the paper, add comments and assign a grade.

Click Grade at the top right to assign a grade.
