

## Setting up your myokanagan.bc.ca to forward to a different email account.

Log into MyOkanagan.

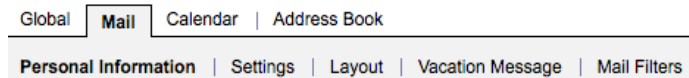

Click the E-mail icon at the top right.

Click the Options tab.

Click the Settings tab.

Scroll down to the Mail Forwarding section.

Check 'Enable forwarding' and 'Do not leave copy on server'

Enter the Email address you'd like your mail forwarded to and click Add.

Click Save in the bottom right corner.

### Mail Forwarding

Enable forwarding

Do not leave copy on server
