

## **Fuel: A documentary and discussion**

The feature documentary Fuel will have its Kelowna premiere on Jan. 22.

The film that outlines North America's troubled relationship with oil and how sustainable alternatives can reduce our dependence on fossil fuels will play at Okanagan College at 7 p.m. in the S104 lecture theatre in the Student Services Building.

Following the film will be a panel discussion on clean energy options. Tickets will be sold at the door for \$5, or \$2 for students and seniors with proper ID.

All proceeds will be used for local sustainability projects.
