Hard work recognized

Completing his Electronic Engineering Technology diploma at Okanagan College is going to be a little bit easier for second-year student Aaron Edis, courtesy of some welcome financial support. Edis was the recipient of a \$1,000 Canada Technology Bursary scholarship last week, sponsored by TD Meloche Monnex and presented by John Leech, AScT the Executive Director of the Applied Science Technicians and Technologists of British Columbia (ASTTBC). In the picture are, from left, Dr. Dianne Crisp, Dean Science, Technology and Health Okanagan College; Leech, Executive Director ASTTBC. Aaron Edis and Dr. Andrew Hay, Vice President Education Okanagan College.
