

## **OK College to laud service-minded grads**

Okanagan College is introducing a new scholarship to reward high school students who help their communities.

The college is to distribute 40 \$1,000 tuition scholarships to high school graduates with a record of service to their school, community or both. Students must have an average of at least 65 per cent in Grade 11 and 12.

"We really want to encourage those students who share the college's goal of being supportive to the communities we serve," college president Jim Hamilton said.

Eighteen awards are to be distributed in the central Okanagan, eight in the south Okanagan, eight in the north and six in the Shuswap-Revelstoke area.

The application deadline is March 5. Application forms will be available on the financial aid and awards section of the college website in late January 2010 at [Okanagan.bc.ca/financialaid](http://Okanagan.bc.ca/financialaid).
