

Welcome to Student Services

The Division of Student Services offers a wide range of support and developmental services that are designed to help you succeed in your chosen field of study.

I invite you to visit the Student Services Welcome Centre location found in the Student Services building at the South Kelowna campus. The Centre staff will provide you with information about services, programs, workshops, and answer questions you may have. The staff can also book an appointment with a specific department staff member who can provide information and support you may require.
