Requirements for the Associate of Science Degree

60 Credits: 1 course = 3 credits

The Associate of Science Degree is granted upon completion of the following course requirements with a minimum grade average of 60% for all courses (60 credits) counting towards the degree. Please refer to the Okanagan College calendar for updated and accurate course planning information.

ENGLISH: Six 100-Level English Credits -- must include two of the following: ENGL 100, 150, 151 or 153.

		6
--	--	---

MATH: Six credits Calculus (Math 112 and Math 122) Math 120 can be used in place of Math 122 but may not be accepted for credit toward a science degree at your destination university.

		6
--	--	---

18 credits in 100 level lab science courses that are university transferable

At least 12 credits (4 courses) from:

- o BIOL 111 and BIOL 121
- o CHEM 111 and CHEM 121 or CHEM 112 and CHEM 122 (CHEM needed for BSc)
- o PHYS 111 and PHYS 121 or PHYS 112 and PHYS 122 (PHYS needed for BSc)

No more than six credits in any one subject area. See [calendar](#) for acceptable science options.

		6
		6
		6

18 credits in 200 level lab science courses that are university transferable (astronomy, biology, chemistry, computer science, geography, earth and environmental sciences, math, and physics). Must be in at least two subject areas. See [calendar](#) for acceptable science options.

		6
		6
		6

6 credits in Arts other than English that are university transferable.

		6
--	--	---

6 credits of first or second year courses that are university transferable.

		6
		60

Note: it is not mandatory to complete an Associate of Science Degree to transfer to another institution.

Transfer Students – you must complete 30 credits at OC, 18 of which must be from 200 level courses.

If you are planning toward a Bachelor of Science, please ensure that you check the course requirements of your destination university.

Arts Courses

For the 6 required credits in Arts other than English, the following subjects may apply.

Courses must have transfer credit to one of the following BC universities:

Simon Fraser University, University of British Columbia (Vancouver or Okanagan), University of Northern British Columbia, University of Victoria. Consult the [BC Transfer Guide](#) to ensure transferability.

HUMANITIES	SOCIAL SCIENCES
Fine Arts	Anthropology
History	Communications
Philosophy	Criminology (Penticton campus only)
Languages:	Economics
• French	Geography (without labs)
• German	Indigenous Studies
• Japanese	Political Science
• Mandarin	Psychology
• Spanish	Sociology
	Women's Studies

For the most updated and accurate Associate of Science information, students are advised to check the Okanagan College [calendar](#)
