

“Like her image of house-slips snagged on rough wrought-iron, Laisha Rosnau’s debut book of poems speaks of a world both knowing and delicate, in a voice that is brash, heart-felt, human...”

—DAVID O’MEARA

“The poems in *Getaway Girl* are as intimate and surprising as the delicacy of rolling moon ‘from tongue to tongue.’ Laisha Rosnau delivers her phrases with abandon and aims them where they count.”

—JAY RUZESKY
