

## **\$1 Million Dollar Expansion to Salmon Arm Trades Facility**

In 2009, Okanagan College received share provincial-federal funding of \$1 million to expand the trades training facility. The \$1-million expansion to Okanagan College's trades training facility in Salmon Arm will accommodate 144 more students – 96 in carpentry and 48 in other entry level trades programs, including Gateway to the Trades program, the Women in Trades program and Aboriginal Careers in Trades program. The project will expand the existing trades building by 259 square metres (2,783 square feet) and add a 600-square metre (6,456-square-foot) covered work area. The construction is expected to be completed in the fall of 2010.
