Food-can sculptures being built this week

Teams will build sculptures out of food cans in the annual Construction fundraiser, which begins today.

The event kicks off with the students and staff at Glenrosa Middle School building structures from 2 to 6 p.m. today.

When they’ve finished, the cans of food will be donated to the Westside Community Food Bank.

Orchard Park mall is the traditional location for Construction.

Teams from the Kelowna Jaycees, Enactus and Okanagan Adventist Academy will begin their projects tonight and work on them over the next three evenings from 4-9 p.m. in the mall.

Tuesday from 10 a.m. to noon, Save On Foods/Cooper’s Foods, Montgomery Miles Law Firm, Orchard Park Shopping Centre and Hunger Wall will be working on their projects.

The public is invited to come and take a look at as the building continues. All sculptures will be finished by Wednesday at 6 p.m.

Judging of the canned sculptures will take place Thursday at 5:30 p.m. in the mall’s Sky Court with an awards ceremony to follow.

The food will then be donated to the Kelowna Community Food Bank and Salvation Army.
