PENTICTON IN BRIEF

Students take home Skills Canada medals

Okanagan College student Calain Libby of Penticton won a gold medal at the 14th Annual B.C. Skills Canada Competition in Abbotsford.

Libby was one of six Okanagan College students who received medals, competing against some of the top tradespersons and technologists across the province.

Students won two gold, two silver and two bronze medals in four different categories, giving the college the second-highest medal count among post-secondary institutions.

Libby and Tyler Selzer, who received a gold medal in automotive collision repair, will take part in the Canada Skills Competition, held in Calgary May 25-28.
