Summer Session

Do you know someone who may be considering summer classes? Year-round academic programming helps students get a head start on their education, complete their program faster or fit studies into a busy lifestyle. Find summer courses listed in [ClassFinder](#). Applications for summer are still being accepted.

Downtown Block Party Volunteers Needed

On Saturday July 23, Okanagan College will be hosting an information booth at the Annual Downtown Kelowna Block Party. This is a great recruitment opportunity to show off all of our programs and courses, and also show our support to the Kelowna community.

Last year's Block Party was a great success with over 15,000 people visiting Bernard Ave. in Kelowna to check out the festivities. If you are available to volunteer for the Okanagan College information

booth, your help would be greatly appreciated. Volunteers will be asked to sign up for two-hour shifts throughout the day; duties include talking to prospective students about OC's great programs and courses. We will be giving out free popcorn, showing off our dragster from the automotive department, and there may be some games going on as well! If you are interested in volunteering please contact Steph Bodden at 250-762-5445 ext. 4469 or sbodden@okanagan.bc.ca. Your support is greatly appreciated!

For more information on the event please go to:

Shared Recruitment Events Schedule

The recruitment team would appreciate your support at events throughout the year. To find out about upcoming recruitment events or volunteer for any of their events, please review the shared recruitment events schedule. To access it, login to myOkanagan > College Matters tab > Popular Links > Recruitment Events schedule.

Staff Update

The Registrar's Office is pleased to welcome Curt Loyd to the position of Communications Technician. Curt will be filling in for Kim Fukushima who will be away on maternity leave beginning May 2. Curt was lucky enough to grow up at Big White Ski Resort before attending Okanagan College where he earned his Bachelor of Business Administration - Finance Specialty degree. Feel free to stop by and welcome Curt to his new role.
