IMPORTANT INFORMATION

You can supply the above tools yourself or you can purchase a set from the Welding Department (approx. \$350). If you want to purchase your tools from the Welding Department, this can be done on the first day of class. A receipt will be given to you from the Welding tool room and the payment will be made at the Registration office.

Should you decide to supply your own tools, the list provided is the minimum requirement. All tools on this list must be present for you to proceed with this program.
