The intent of this policy is to ensure the responsible service of alcohol at all Okanagan College events and on Okanagan College campuses. The College recognizes the consumption of alcoholic beverages is a matter of personal choice and expects each person to be responsible for his or her own conduct and to be mindful of the rights of others.

This policy applies to all events on College campuses where alcohol will be served. The events include:

a) a function organized or hosted by the College (by an employee, group or entity contracted by the College); and
b) a function not organized or hosted by the College.

2.2 Alcohol may be served on College campuses subject to the BC *Liquor Control and Licensing Act* and *Liquor Control and Licensing Regulation*, (collectively, the “Act”), any other applicable laws and the terms of this policy.

3.0 Service Areas

3.1 Alcohol may only be served at the following locations:

a) an area licensed as a Service Area under the Act. At the College there are two Service Areas:
   i) Kelowna Campus cafeteria; and
   ii) Kelowna Infusions Restaurant and Patio;

b) a location where a special event permit (a “Special Event Permit”) has been issued in accordance with the Act. The process for acquiring a Special Event Permit is set out on the website in the BC government document entitled “Request to Hold an Event Where Alcohol will be Served” ([https://specialevents.bcldb.com/help#aclicencetype](https://specialevents.bcldb.com/help#aclicencetype));

c) a location approved by the College for an event organized by the College for College guests and/or employees where a Special Event Permit is *not* required ([https://specialevents.bcldb.com/help#aclicencetype](https://specialevents.bcldb.com/help#aclicencetype)); and

d) a location approved by the College and for a College course or program in which the tasting of alcohol is part of the curriculum, for example, sensory evaluation of alcohol held in the Penticton campus Wine Sensory Lab.

3.2 All food and beverage services in a Service Area and in any location with a Special Event Permit must be provided or authorized by the College.

3.3 For an event organized by the College that requires a Special Event Permit, the organizing employee (or delegate) is responsible for acquiring the Special Event Permit and for compliance with its terms, including the duty of care outlined under the Special Event Permit requirements.

3.4 For an external event the College’s involvement shall be limited to the granting of permission to hold a licensed event on its premises. The event organizer shall be responsible for acquiring the Special Event Permit and for compliance with its terms, including the duty of care outlined under the Special Event Permit requirements.
