**Transfer Students** – you must complete 30 credits at OC, 18 of which must be from 200-level courses and from two or more subject areas.

**Course recommendations for students continuing on to their Bachelor of Arts:** We recommend taking 6 credits of humanities other than English as well as a Second Language. While these are not necessary for completing the Associate of Arts Degree, they may be necessary for completing a Bachelor of Arts Degree. Consult your destination university to ensure that you are meeting its specific program requirements.

**Note: it is not mandatory to complete an Associate of Arts Degree to transfer to another institution.**
