

## **REQUEST TO WAIVE FULL PROGRAM ADMISSION REQUIREMENTS**

### **MOA 01 Requirements**

While some requirements of the Nursing Unit Assistant Certificate may be waived, proof of the following is still required before permission will be granted to take MOA 01 as a stand-alone course:

- ❖ B.C. secondary school graduation, or equivalent, or 19 years of age and out of secondary school for at least one year as of the first day of classes.
- ❖ English 12 with minimum grade of 60% or [alternatives](#).

**Please note that the following admission requirements will be waived:**

- ❖ Applicants must provide evidence of a negative tuberculin test, taken no more than six months before the date of application (or evidence of an appropriate follow-up if the test was positive.)
- ❖ A criminal record check clearance from the B.C. Ministry of Public Safety and Solicitor General's Criminal Records Review Office. Okanagan College's admission offices will provide instructions and forms for applicants to submit to the Solicitor General's Office and a deadline for the College to receive the clearance letter. Applicants should only initiate their criminal record check when instructed by Admissions. Failure to provide a clearance letter by the deadline will result in a cancellation of the applicant's admission application.

**Please note that this waiver grants permission to enroll in MOA 01 as a stand-alone course only and does not omit any of the above admission requirements when applying to the Nursing Unit Assistant Certificate program.**
