

CAN AN OC STUDENT WORK FULL-TIME DURING SUMMER 2021 BREAK?

As per [Academic Schedule Winter 2021](#), 'Final exam period' ends on Wed., Apr 28, 2021*. Therefore, current* OC students (NOT new students**) may work full-time, off-campus, from Thur., Apr 29, 2021 to Tue., Sep. 7, 2021 only, **IF** they meet **ALL** of the following conditions:

- Student holds a valid study permit, **and** was/will be enrolled full-time (i.e., at least three courses per semester for most study programs) during the academic session before **and** after Summer closure/break (i.e., Winter 2021 and Fall 2021);
- The program in which student is enrolled is a post-secondary academic, vocational or professional training program that is at least 6 months in duration and leads to a degree, diploma or certificate.

As long as the above conditions are met, regardless of whether or not you enroll full-time or part-time in Summer 2021 term break, you may work full-time during this term.

Note:

*Some study programs do not have the standard timeframe of 'Jan – April' and 'Sept – Dec' as their 'regular academic sessions'. In that case, the dates as to when students can work full-time during Summer 2021 shall be different (In this case, please see an Advisor). For example, current students enrolled in Electronic Engineering Technology Diploma and other Technology Diploma programs have end-of-term courses and/or final exam period in May. Therefore, students enrolled in these programs may work full-time, if meeting all of the above conditions, only after the last day of their end-of-term courses and/or final exam period.

**New OC students, i.e., those starting their studies at OC in Summer 2021 semester, are NOT eligible to work full-time during Summer 2021 term.
