

Salmon Arm Spring Update

Message from the Dean

The Salmon Arm Campus is thrilled to have broken ground on the much-anticipated housing project on April 21. Adding 60 units to our community's housing inventory is a huge milestone and we thank all the community partners it took to make this happen. As we bid farewell to many of our students for the summer, we welcome students from Health Care Assistant, Women in Trades and look forward to having our youngest cohorts join us in the summer for Camp OC. We're open all summer with lots of space for events/meetings, and all student services available.

ACADEMIC

Applications are still open for Fall 2023-24 Academic year

Discover your critical thinking in our Arts Department.

Classes in Anthropology, Communications, Economics, Geography, History, Indigenous Studies, Philosophy, Political Science, Criminology, Psychology, Sociology, and Spanish.

"I strongly believe that a lot of the success I have found in work as a Microbiology Lab Tech can be attributed to the time I spent at OC."

~ Madison Philibert

Learn about the business world.

Courses include Entrepreneurship, Financial Management, Human Resources Management, Marketing, Personal Financial Planning and Professional Sales. Certificates, Diplomas and Degrees available.

Understand the world around us through science courses.

Study Biology, Chemistry, Introductory Algebra, Mathematics or Physics.

TRADES

Electrical Foundation- Aug 2023

Thank you to SCIP for hosting their annual Golf Tournament to help support trade student scholarships.

TRANSFORMING COMMUNITIES

This winter more than 30 per cent of programs offered were the result of collaborations with our community. Intakes sparked through regularly working with partners to identify community needs:

- Gateway to Tech (School District 83)
- Office Assistant (Neskonlith)
- Construction Craft Worker (BCIB and LiUNA 1611)
- Indigenous Tourism (Indigenous Tourism BC)
- Project Management (Lillooet)
- Digital Marketing (Salmon Arm Ec-Dev Society)
- Education Assistant (Adams Lake Indian Band)

TRANSFORMING LIVES

"From leadership opportunities to flexibility exploring different courses and programs as I found the right fit, I always felt I was supported in my personal and educational growth at OC. The faculty offered me mentorship and staying close to home fostered invaluable community connections for later in my career."

~Sean Roussouw BBA Accounting,
Currently Employed at BDO Salmon Arm

Okanagan College - Salmon Arm
