5.3 Academic Policies recommended by ARP

a. Policy revision: Academic Integrity Policy

Motion: B Hall/S Lembke

That Education Council approves the policy revision: Academic Integrity Policy as recommended by ARP:

- J Lister provided an overview of the policies that will be presented in the EdCo meetings in the coming few months, noting that a new Policy Procedure Framework has been adopted in 2022, separating policy from the procedures. Consultations have taken place.
- As outlined.

- D Mehus sought clarification on whether the procedures would not come to EdCo meetings, while the policies are required to be discussed at EdCo meetings.
- J Lister responded in affirmative.
- D Mehus noted that the procedure has not been included in Quali.
- J Lister stated that the policies need to be done in a timely manner. The procedures will come after policies.
- D Mehus sought clarification on whether the procedures will be available in the College website.
- J Lister responded in affirmative.

Carried

b. Policy revision: Attendance Policy

Motion: M Somerville/D Mehus

That Education Council approves the policy revision: Attendance Policy as recommended by ARP:

- As outlined.
- S Lembke asked whether weddings are considered significant life-changing events.
- J Listed responded in negative.
- S Lembke noted that there are a lot of weddings happening during the exam period.
- S Lenci stated that students have the flexibility after Covid, noting that the question is how the College will respond to students.
- N Fassina stated that the meaning of significance differs for everyone.
- T Walters noted the definitions for Instructors, stating that the distance education tutors do not engage in instructions and asking whether there is a need to change the definitions.
- There was a subsequent discussion.
- S Lenci suggested that a meeting with a few teaching members can be held to discuss the institutional perspectives.
- C Newitt sought clarification on whether students' life needs to be defined.
- S Lenci suggested that a few examples can be provided for reference.
- K Brochu stated a recent scenario regarding documentation, stating that students do not want to ask for the doctor's note and pay the fee as it is expensive.
- S Lembke noted that it can be handled differently, such as a note will be required for examinations, while it can have a flexibility regarding daily work.
- D Mehus concerned whether instructors would follow the suggestion, noting that some instructors are more liberal and would accept emails as informed by students.
- J Garrett stated that it is on a case-by-case basis and needs to be flexible.
- S Lenci noted that t.
- J Garrett stated that the definition should be included.

Motion: D Marques/C Newitt

That Education Council tables the policy revision: Attendance Policy as recommended by ARP until the next meeting.

Carried

- N Fassina stated that the common definitions apply to every policy.
- T Walters stated that it is not allowed to ask for a medical note for absentees, since the College would not pay for students to get them, and it is a waste of doctors' time.
- There was a subsequent discussion on the distance education tutors.
- C Newitt stated that instructors do not have the decision-making power.
- Members agreed that the distance education tutors will be removed.

- S Lembke stated that the procedures might need some discussion afterwards, as it could be overwhelming for the instructors.
- S Lenci stated that it needs to be defined.

Deferred

c. Policy revision: Transfer Credit Policy

Motion: M Somerville/B Hall

That Education Council approves the policy revision: Transfer Credit Policy as recommended by ARP:

- As outlined.
- D Mehus sought clarification on the ten-year requirement, stating that mature students may need to take more than ten years to complete.
- M Somerville stated that students completed in OUC want to be able to do in OC, stating that they have troubles on that and asking whether it can get rid of the ten-year requirement.
- C Newitt noted that ten years is a huge timeframe in Psychology, stating that they do not accept that, but some disciplines accept.
- There was a subsequent discussion on the issue.
- M Somerville stated that it depends on programs.
- N Fassina stated that it is hard to be consistent.
- S Lembke stated that Business reviewed all credentials to see if they sounded validated, or if they are old and would not match. S Lembke asked whether the College would like to lose students to other institutions.
- A Leader stated that if students completed a credential, one would be more likely to have been working in the field or the industry.
- J Garrett responded in affirmative.
- I Wheeler stated that in practice, the Transfer Credit Coordinator has been closely communicated with the Chairs and knows whenever needs to ask for exemptions.
- There was a subsequent discussion on the ten-year timeframe.
- J Garrett stated that if it is addressed in the procedure document, it may need to be sent to the departments for discussion.
- S Lenci stated that the assessment could still happen if the time frame is removed, stating whether the extent of the core curriculum has been changed much that would deny someone from education.
- C Newitt was concerned about the point of this policy, noting that it is important to ensure student's success and that it is rare to have a situation of more than ten-year clauses. C Newitt concerned that the Chair may often need to make the decisions.
- B Penfound stated that people might forget things if there is a ten-year gap, stating that students can have the opportunity to challenge the process, such as appeal.
- J Ragsdale stated that that belongs to the procedure level and could be discussed.
- J Lister noted that ten years are too long for ICT.
- K Brochu stated that a caveat can be set, such as it needs to go to the Chair if the program is ten years ago.
- I Wheeler stated that some programs may set a different one, such as Computer Science.
- M Somerville stated that courses are shown in transcripts, stating that students do not know they cannot use it when doing the Transfer Credit.
- E Balili suggested that more controls can be added, suggesting that an assessment exam can be set for students who want to do the Transfer Credit, and it can be selective of applicants from where they are coming from, noting that

as long as the person is working on relevant industry or have completed the relevant courses, the person should be permitted.

- J Lister noted that there is a challenging exam included in another policy.
- J Ragsdale stated that if they change it in BCCAT, they have to change it to be consistent.
- J Garrett noted that the statement in the comparison document- 'Programs may, with the approval of Education Council, specify a shorter time period for courses to apply to a specific degree or diploma', asking if this should be listed in the procedure document.
- C Newitt responded in affirmative, stating that the exemption can be listed in procedure as well, and the disciplines need to verify.
- K Brochu stated that that can help validating courses from credentials.
- B Penfound sought clarification on whether procedure documents would be discussed in EdCo meetings.
- J Lister stated that it is separate for this one.
- E Balili sought clarification on the credits, how does it work and would like to confirm that they do not affect graduation.
- I Wheeler responded that it does not affect graduation.
- B Penfound stated that it needs some clarity on who needs to decide regarding the substitution courses.
- J Lister stated that the department Chairs are the ones to decide.
- M Somerville noted that in section 5.10, the international students are addressed, seeking clarification on the domestic students.
- I Wheeler stated that it is the same.
- J Lister stated that there is a policy coming soon.
- I Wheeler suggested that it can be changed to 'all students', stating that Registrar's Office will work with the departments.
- Members agreed that the words "international-earned" will be removed.

Carried, 1 abstained.
